This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Letter of Intent filed on behalf of Automated Telecharge, Inc. for a Certificate of Public Convenience and Necessity to operate Smart Payphones and Automated Operator Service type devices. Thereafter, Automated Telecharge, Inc. requested that its Letter of Intent be withdrawn. Automated Telecharge, Inc. alleges that its original Letter of Intent was meant merely as an inquiry into the Commission's Rules and Regulations and that at this time it did not wish to provide service in South Carolina.

The Commission has considered the request to withdraw the Letter of Intent on behalf of Automated Telecharge, Inc. and finds that it should be granted. In light of the withdrawal of the Letter of Intent, the instant Docket is hereby closed.

IT IS SO ORDERED.
